Build your child's
home library with a
program dedicated
to reading aloud
and recording
great books.

Updated 1/2024

Program Basics

The 1,000 Books Before Kindergarten program is a nation-wide challenge that encourages parents and caregivers to read regularly with their children beginning at birth.

Take a look at how reading just 1 or 2 books per day gets your child to the goal of hearing 1,000 books before Kindergarten!

1,000 Books Before Kindergarten		
Child's Age When 1,000 Books Before Kindergarten is Started	Number of Books Read Per Day to Complete 1,000 Books Before Kindergarten	Number of Books Read Per Week to Complete 1,000 Books Before Kindergarten
0 Years Old	1	4
1 Year Old	1	5
2 Years Old	1	7
3 Years Old	2	10
4 Years Old	3	20

You can visit our 1,000 Books Before Kindergarten webpage at <http://www.delcolibraries.org/1000-Books> for more information.

Why Participate?

Research has shown that one of the most reliable predictors of school success is how often a child is read to during the early years. Reading to children from an early age can develop vocabulary, increase letter recognition and improve comprehension and narrative skills that are essential for learning to read. Most importantly, sharing books with children promotes a lifelong love of books and reading!

Getting Started

1. Sign up on-line through Beanstack by visiting delcolibraries.beanstack.org or scan the QR code below. You can also sign up by visiting a library that has their own program.

You can participate online and at a library and receive all incentives (see the back flap for more info).

2. Read your own books or library books, including our 1,000 Books Before Kindergarten Backpacks stocked with 10 great picture books.

3. Record each book (if participating online, you may want to download the Beanstack app). The same book can be counted over and over again as long as you read it! If participating online, you will receive a free book at each 100 books read milestone. You can also complete the free book badge and birthday book badge for additional free books.
