

# Journey Across Delco 2021

Great news! There are three ways to complete Delaware County Libraries' annual Journey Across Delco (JAD) program this summer. As in past summers, our [28 spectacular libraries](#) will come together to promote learning by highlighting a fun activity and fact related to the Summer Quest theme. This year our libraries will each be featuring an animal to promote the Summer Quest theme of Tails and Tales.

**Grab your game sheet and get ready to explore, learn and have fun.**

Fill out your information on the bottom of the sheet and begin your journey by visiting libraries, completing badges in Beanstack or visiting StoryWalk at Rose Tree Park – or a combination of all three (see below for a description of each)! Once you've completed your game sheet and figure out the mystery saying, return it to any local library to be entered into our Journey Across Delco raffle.

## Ways to Play

1. Visiting Libraries: With your game sheet in hand, visit our libraries where you will find a JAD poster highlighting the library's animal with two fun facts and an activity. On the back of your game sheet, write the library's full name on the number line that corresponds to the animal picture on the front of your game sheet.
2. Inside Tails & Tales Reading Challenge: With your game sheet in hand, sign up to participate in our Beanstack Tales & Tails reading challenge at <http://www.delcolibraries.org/Reading-Challenge>. As part of the challenge you can complete activity badges, one for each library animal. As you complete badges, write the library's full name on the number line that corresponds to the animal picture on the front of your game sheet (hint, the badge name will include the library as well as the badge description).
3. Visiting Storywalk: With your game sheet in hand, visit the StoryWalk in Rose Tree Park. Read the story. At each post complete the small activity cards sponsored by each of our libraries. On the back of your game sheet, write the library's full name on the number line that corresponds to the animal picture on the front of your game sheet.

The Journey Across Delco game sheets will be accepted at local libraries until August 15<sup>th</sup>. Winners of the raffle will be contacted by e-mail and prizes will be sent to their local libraries for pick-up.
